

PART TIME PROGRAMME (NON ACCREDITED)

DO YOU SEE YOURSELF PERFORMING ON STAGE, TELEVISION OR FILMS?

If you are looking to develop your talent, you are at the right place!

The Star Quality Performing Arts College will equip you with the necessary skills and provide an environment that is designed to encourage and nurture these talents. We provide you the space and time to discover and develop your own personal 'voice' as a creative artist. Our only goal is to provide the most fertile ground possible for you to grow and flourish.

This 3-month Part time course will make sure that you have the necessary skills to give it your best at each audition that you attend. The course is run by professionals from the performing arts industry with extensive experience within the industry.

Course details

During the course of the 3 months, students will be taught the following:

- Acting for Television and Theatre
- Vocal Studies
- Movement Studies
- Contextual Studies
- Professional development
