

Join Star Quality

Below are a few things you need to know when enquiring to join the agency:

If you are interested please send us a few photos of yourself and acting C.V if you have one, or if you are enquiring for your child- a few pictures of your child, age and languages spoken by the child. Once we have received these pictures we will get in contact with you to let you know if we will be registering you or your child with the agency.

What kind of pictures do we need?

- Photos do not have to be professional but must be clear
- We want natural photos that show your face clearly
- You must submit a FRONT FACING headshot, and one full length shot.
- Try to relax your face and do not pout, but give a big friendly smile, exposing your teeth
- Make sure nothing is hiding your face eg do not wear sunglasses or hats etc.
- Ladies please wear make-up when taking the photos
- Photos need to be in colour with no computer effects or re-touching

Send
